West Valley City Park to Get Five New Trees

WHAT: Maple Meadows Park Tree Planting

WHEN: Thursday, May 15, 3:00 p.m. to 5:00 p.m.

WHERE: Maple Meadows Park (2520 West 3380 South)

WHY: West Valley City continues to move ahead in the City's effort to beautify the community and contribute to Salt Lake County's Million Trees project. The City will plant five new trees at Maple Meadows Park on May 15 with the help of local residents. Currently, a Hawthorne, Norway Maple, Tatarium Maple and two Zelkova trees are slated to be planted at the park and possibly a few additional trees will be planted May 15 as well.

"We are proud to be part of the County's Million Trees project," says Mayor Dennis Nordfelt. "This project not only benefits our generation, but will benefit many to come."
